Declaration

I am confident that, I do not have any backlog course for which I need to attend the classes at IIIT Vadodara during the winter semester 2025-26. If it is found that, I am participating in Off-campus BTP with backlog courses of previous semester's requiring to attend classes during winter semester 2025-26 my academic program will extend beyond 4th year. I declare that, the information submitted above are correct.
